Downlink Site Host Application

We hope that you will join the GFOA, by hosting a downlink site for the 12th Annual Governmental GAAP Update on Thursday, November 8, 2007, from 1:00 p.m. – 5:00 p.m. (EST). For twelve years, the GFOA has offered the highly popular *Annual Governmental GAAP Update* via satellite teleconference. This unique program offers participants an unsurpassed opportunity to obtain a comprehensive yet comprehensible overview of all the past year's developments affecting accounting and financial reporting for state and local governments.

Our organization hosted a downlink site for the 2006 GAAP Update. Please use the information on file. *Please still provide the sponsoring organization and site coordinator information.*

Please consider our organization a standing downlink site for all future GFOA GAAP Update satellite training programs.
