

GFOA Rocks South Florida

REO Speedwagon Rolling at Full Throttle!

We are excited to announce that REO Speedwagon will provide this year's conference entertainment on Tuesday, June 17, 2008, at the Hard Rock Live in Hollywood, Florida.

REO Speedwagon's classic sound keeps getting better. Best known for their number one hits "Can't Fight This Feeling" and "Keep On Loving You," the band also recorded such favorites as "Roll With the Changes," "Keep Pushin'," "Time for Me to Fly," "Riding the Storm Out," and "Take It On the Run." With more than 40 million albums sold worldwide, REO continues to delight fans and welcome a new generation of listeners.

*"No matter how many times you see them in concert, you always walk away feeling good inside. They have performed "Time For Me To Fly," "Roll with the Changes," and "Ridin' the Storm Out" thousands of times. Instead of resting on their laurels the band performs them like it was their first time debuting the tracks. Leader Kevin Cronin has an energy about him that sets the tone for an REO show."**
