<sup>1</sup>*The Special Review Executive Committee (SREC) is responsible for establishing policies and procedures for the Certificate Program. The GFOA's President appoints the members of the SREC for staggered three year terms. Each SREC member is also an active member of the Special Review Committee (SRC).*

---

# SPECIAL REVIEW COMMITTEE

---

The Special Review Committee (SRC) is composed of government officials, independent certified public accountants, academicians and others with particular expertise in governmental accounting and financial reporting. SRC members are volunteers who review CAFRs for the Certificate Program. Each CAFR is reviewed by selected members of the SRC and must receive their approval to qualify for a Certificate of Achievement.

The following list represents SRC members that volunteered their services to the Certificate Program during 2007 (i.e., active members and members otherwise available to review reports with fiscal years that ended in 2006), The active SRC member(s) with the most years of service in each state have their names italicized and listed first. One asterisk (\*) indicates that a member has at least five years of service on the SRC. Two asterisks (\*\*) indicate that a member has at least ten years of service on the SRC.
