Training by Region

In order to meet your training needs and CPE requirements, GFOA will be coming to your region three times annually, in approximately the same month each year. That means you'll be able to project your continuing education plans into the future. If, for example, you want to earn CPE credits in one class series, you could take the introductory class one year, the intermediate class the next year, and the advanced course the third year. We hope this regional training schedule will make it easier for you to plan and fulfill your CPE requirements.

Course Level: ■ Introductory ■ Intermediate ■ Advanced Delivery Mode:  Group-live Course  Group-live Satellite Course  Group Internet-based Course
