Learn How to Improve Financial Decision-Making through Better Forecasting

Financial decision-making finance officers often find that decision-makers don't give forecasts the weight that they should. This book shows how public finance managers can **make a forecast that is both technically elegant and that resonates with its audience.**

Go to www.gfoa.org/forecastbook for technical resources.

“In this era of unpredictability, accuracy of revenue forecasting is an absolute must. This book carefully navigates the reader away from common traps of forecasting, meanwhile guiding the reader toward meaningful success by using statistical, economic, and psychological methods.”

— **Cemal Umut Gungor**, Director of Finance/City Treasurer, City of Grandview, Missouri

“This book is a fantastic resource for forecasting for all experience levels; a must have for every budget office.”

— **Dawn Marie Buckland**, Director of Administration and Government Affairs, Paradise Valley, Arizona

GFOA Best Practices are recognized by finance officers, elected officials, and other government leaders as the standard for improved financial management of governments. Our suite of best practices, which are free and completely available on www.gfoa.org, cover accounting, budgeting, capital planning and economic development, debt management, pension and benefit administration, and treasury and investment management. The best practices are developed by GFOA Standing Committees, made up of members recognized by their peers as leaders in the public finance field. GFOA also provides a number of resources specifically designed to assist in the implementation of best practices. For more information or assistance with best practice documents, please go to www.gfoa.org/bestpractices.

About GFOA

For over a century, GFOA has been dedicated to enhancing the professional management of governments for the public benefit. GFOA has been accomplishing this mission by identifying and developing the highest quality financial policies and practices and promoting them to the public through education, training and leadership. The association's members rely upon GFOA to provide timely information, practical educational opportunities, high quality professional publications and the latest information on best practices.
