Foreword	xix
Preface.	xxi
How to Use the <i>GAAFR</i>	xxv

PART 1: BACKGROUND AND FRAMEWORK

Section A: Basic Background

1. Accounting, Financial Reporting, and the Financial Statement	
Audit: An Overview	1
Accounting	1
Financial reporting	2
Internal financial reporting	2
Special purpose external financial reporting	3
General purpose external financial reporting.	3
Display.	3
Disclosure	3
Supporting information	6
Essential characteristics of accounting data	6
The financial statement audit	7
Chapter in brief	8
Exercises	10
2. The Government Environment and Its Impact on Accounting and	
Financial Reporting	13
The structure of state and local government	13
Key environmental differences	14
Profit motive v. service motive	14
Return on investment v. stewardship	14
Appropriated budget v. financial plan.	15
Impact of environmental differences	15
The use of more than one measurement focus	15
Fund accounting	16
Budgetary reporting	16
Chapter in brief	17
Exercises	18
3. Sources of Governmental GAAP	21
The nature and purpose of GAAP.	21
The legal authority to set financial reporting standards.	22

- The development of GAAP. 23
- The structural framework for standard setting. 25
- Due process 26
- The GAAP hierarchy 28
- Defining a state or local government 30
- Original pronouncements v. codification 32
- Chapter in brief 33
- Exercises 35

Section B: The Governmental Financial Reporting Model

- 4. Funds, Fund Types, and Interfund Activity 37**
 - Nature and purpose of fund accounting 37
 - Number of Funds principle 38
 - Fund categories 39
 - Fund types 39
 - Governmental funds 40
 - Proprietary funds. 44
 - Fiduciary funds. 46
 - Interfund activity 49
 - Reciprocal interfund activity 49
 - Nonreciprocal interfund activity 51
 - Chapter in brief 54
 - Exercises 57
- 5. Government-wide Financial Reporting. 61**
 - Background 61
 - The relationship between fund financial statements and government-wide financial statements 62
 - From funds to activities 62
 - From one measurement focus and basis of accounting to another . 63
 - From aggregation to consolidation 64
 - Focus on direct cost 66
 - Chapter in brief 67
 - Exercises 69
- 6. The Primary Government and Its Component Units 73**
 - Overview of the financial reporting entity 73
 - The primary government. 73
 - Identifying component units. 74
 - Fiscal dependence (as evidence of financial accountability) 75
 - Board appointment (as evidence of financial accountability) 76
 - Misleading to exclude 78
 - Use of fiduciary funds for organizations that do *not* qualify as component units 79
 - Potential for dual inclusion. 79
 - Presenting component units 79
 - Blended component units 80
 - Discretely presented component units 82
 - Component units with different fiscal year ends. 86

Transactions v. interfund activity	86
Separate reporting.	87
Chapter in brief	88
Exercises	91

Section C: Basic Recognition Principles

7. Measurement Focus and Basis of Accounting	95
Measurement focus	95
Statement of financial position	96
Statement of resource flows	96
Basis of accounting.	100
Application to specific sets of financial statements.	101
Chapter in brief.	103
Exercises	105
8. Categories of Transactions and Events and Their Recognition	109
Exchange and exchange-like transactions	109
Nonexchange transactions	110
Derived tax revenues	110
Imposed nonexchange revenues.	111
Government-mandated nonexchange transactions	112
Voluntary nonexchange transactions	113
Provider reporting	114
Extraordinary items and special items	114
Direct changes to net position	115
Chapter in brief.	117
Exercises	119

PART 2: FUND ACCOUNTING AND THE BASIC FINANCIAL STATEMENTS

Section A: Governmental Funds

9. Revenue Recognition in Governmental Funds.	123
Background.	123
General application	124
Availability	124
Refunds and uncollectibles.	126
Initial journal entries	127
Prepayments.	128
Application to miscellaneous revenues.	128
Specific applications to derived tax revenues	128
Sales taxes	128
Income taxes.	129
Specific applications to imposed nonexchange revenues	129
Property taxes	129
Fines and forfeitures	130
Escheat property	130

Specific applications to government-mandated nonexchange transactions and voluntary nonexchange transactions	130
Intergovernmental revenues	131
Payments in lieu of taxes (PILOTs)	132
Pass-through grants	132
“On-behalf” payments of salaries and benefits	132
Federal “food stamp” program	132
Contributions of agricultural commodities to school lunch programs	133
Endowments and similar arrangements	133
Receipt of donated capital assets	133
Specific applications to exchange and exchange-like transactions	133
Investment income	133
Special assessments	134
Lease revenues (capital leases)	134
Research grants that result in the transfer of rights to the grantor	134
Chapter in brief	135
Exercises	137
10. Expenditure Recognition in Governmental Funds	143
Background	143
Basic rule	144
Exceptions to the basic rule	144
Exception for debt service	144
Exception for certain specified accrued liabilities	146
Exception for pensions and OPEB	147
Exception for operating leases with scheduled rent increases	147
Exception for inventories of supplies	148
Exception for prepaids	149
Chapter in brief	150
Exercises	152
11. Other Financing Sources and Uses	155
Nature and purpose	155
Other financing sources	155
Issuance of long-term debt (face amount and premium)	156
The inception of a capital lease	158
Debt service on demand bonds reported as fund liabilities	159
Sales of capital assets	160
Insurance recoveries	160
Transfers	161
Other financing uses	161
Original issue discount on debt	162
Payments to advance refunding escrow agent	162
Reclassification of demand bonds as fund liabilities	162
Transfers	162
Chapter in brief	164
Exercises	166

12. Asset and Liability Recognition and Measurement in Governmental Funds	169
Background	169
Governmental fund assets	169
Receivable for property and similar ad valorem taxes	170
Receivable for debt proceeds	170
Receivable for a guaranteed deficit	170
Receivable for unallowable costs	171
Pending contribution to an endowment (not a receivable)	171
Receivable for an operating lease with scheduled rent increases	171
Inventories of supplies	172
Capitalization contributions to public-entity risk pools.	172
Investments in joint ventures	173
Assets acquired for sale	173
Governmental fund liabilities.	174
Purchased interest	174
Refundable portion of income taxes and escheat property	174
Anticipation notes.	175
Obligations within the primary government.	175
Compensated absences.	175
Termination benefits	175
Postemployment benefits	176
Claims and judgments	176
Landfills and pollution remediation	176
Noncancelable operating leases with scheduled rent increases	177
Chapter in brief.	178
Exercises	180
13. Governmental Fund Financial Statements	183
Focus on major funds	183
Categorization as a major fund based on relative size	184
Categorization as a major fund based on other qualitative factors.	186
Presentation of major and nonmajor funds.	188
Basic financial statements	188
Balance sheet	189
Statement of revenues, expenditures, and changes in fund balances.	194
Budgetary comparison statement	196
Chapter in brief.	199
Exercises	201

Section B: Proprietary Funds

14. Enterprise Funds	205
Interest capitalization	205
Private sector	205
Public sector	206
Capital asset impairments.	207
Private sector	207

Public sector	207
Refundings	208
Private sector	208
Public sector	208
Compensated absences	209
Private sector	209
Public sector	209
Postemployment benefits	209
Private sector	209
Public sector	209
Cash flows reporting	210
Private sector	210
Public sector	210
Segment reporting	211
Private sector	211
Public sector	211
Changes in net position	211
Private sector	211
Public sector	211
Categories of net position	212
Private sector	212
Public sector	212
Transactions unique to the public sector.	212
Connection fees	212
Impact/developer fees	212
Regulated industries.	214
Chapter in brief.	215
Exercises	217
15. Internal Service Funds	221
Cost-reimbursement	221
Identity of customers	223
Interest capitalization	224
Chapter in brief.	225
Exercises	226
16. Proprietary Fund Financial Statements	229
Statement of net position	229
Statement of revenues, expenses, and changes in net position	235
Statement of cash flows	236
Chapter in brief.	245
Exercises	247
 Section C: Fiduciary Funds	
17. Fiduciary Fund Accounting	251
General considerations	251
The proper use of fiduciary funds.	251
The government as <i>trustee</i> v. the government as <i>agent</i>	252
Liabilities v. net assets	252

Practical applications	253
Private-purpose trust funds	253
Pension (and other employee benefit) trust funds	254
Investment trust funds	254
Agency funds	255
Chapter in brief.	257
Exercises	258
18. Fiduciary Fund Financial Statements	261
General formatting issues	261
Statement of fiduciary net position.	262
Statement of changes in fiduciary net position	263
Chapter in brief.	265
Exercises	266
 Section D: Government-wide Financial Statements	
19. Converting and Consolidating Fund Data	269
Overview	269
Conversion of governmental fund data	269
Adjustments for measurement focus – statement of financial position (overview)	270
Adjustments for measurement focus – statement of resource flows (overview).	270
Adjustments worksheet	271
Worksheet adjustments for measurement focus	272
Worksheet adjustments for basis of accounting	278
The effect of worksheet adjustments on the general ledger.	283
Consolidation.	283
Consolidation of internal service funds.	283
Intra-activity balances	285
Intra-activity transfers	286
(Dis)allocation – governmental activities	287
Disallocation of indirect costs charged to functions reported as governmental activities	287
Allocation of direct costs associated with functions reported as governmental activities	287
Chapter in brief.	289
Exercises	293
20. Government-wide Financial Statements	295
Scope of reporting	295
Government-wide statement of net position	296
Government-wide statement of activities	305
Chapter in brief.	317
Exercises	320

Section E: Disclosure

21. Summary of Significant Accounting Policies.	323
Description of the government-wide financial statements (exclusion of fiduciary activities and similar component units)	324
A brief description of the component units of the financial reporting entity and their relationships to the primary government	324
Basis of presentation – government-wide financial statements	325
Basis of presentation – fund financial statements.	327
Basis of accounting.	329
Budgetary data	329
Assets, liabilities, deferred outflows/inflows of resources, and net position/fund balance described in the order of their appearance in the statements of net position/balance sheet	331
Revenues, expenditures/expense.	336
Chapter in brief.	340
Exercises	342
22. Detailed Note Disclosures	345
Summary of significant accounting policies.	346
Details of reconciliation	346
Stewardship, compliance, and accountability.	347
Violations of legal or contractual provisions	347
Deficit in individual funds	348
Accounting changes	348
Prior period adjustments.	348
Changes in accounting principles	348
Changes in estimate.	348
Changes in entity	348
Bankruptcies	349
Detailed notes on all activities and funds	349
Assets.	349
Cash deposits with financial institutions	349
Investments.	351
Derivative instruments	361
Reverse repurchase agreements	364
Securities lending transactions	365
Receivable balances	366
Capital assets	366
Collections	366
Impairments and insurance recoveries	367
Sponsor disclosures for external investment pools	367
Lease receivables.	367
Right to service mortgage loans	368
Asset valuation allowances	368
Deferred outflows of resources	368
Liabilities.	368
Payable balances	368

Pension plan obligations and postemployment benefits	
other than pension benefits	368
Termination benefits	372
Construction and other significant commitments	372
Claims and judgments	372
Lease obligations (capital and operating)	373
Short-term debt and liquidity	374
Long-term debt	375
Landfill closure and postclosure care	379
Pollution remediation obligations	379
Deferred inflows of resources	380
Net position/fund balance	380
Net position	380
Fund balance	380
Interfund receivables and payables and interfund eliminations	381
Revenues and expenditures/expenses	381
Discounts and allowances	381
Interest expense included in direct expense	381
Future revenues that have been sold	382
On-behalf payments for fringe benefits and salaries	382
Transactions that would be reported as <i>special items</i> had	
they been within the control of management	382
Significant transactions involving major discretely	
presented component units	382
Transactions not reported because not measurable	382
Foreign currency transactions	382
Nonmonetary transactions	382
Retail land sales	383
Contracts to perform research and development	383
Service concession arrangements	383
Donor-restricted endowment disclosures	383
Interfund transfers	384
Segment information for enterprise funds	384
Individual major discretely presented component unit disclosures	386
The nature of the primary government's accountability for related	
organizations	387
Joint ventures and jointly governed organizations	387
Related-party transactions	388
Summary disclosure of significant contingencies	388
Loss contingencies	388
Contingent liability for debt	389
Gain contingencies	389
Significant effects of subsequent events	389
Going-concern considerations	390
Chapter in brief	391
Exercises	394

PART 3: SPECIALIZED ACCOUNTING APPLICATIONS

23. Pension Benefits, Other Postemployment Benefits (OPEB), and Termination Benefits	397
Pensions	397
Types of pension plans	398
Pension <i>expense</i> v. pension <i>expenditures</i>	399
Actuarial valuations	403
Pension-related debt	407
Pension obligation bonds.	407
Special funding situations	407
Recipients of on-behalf benefits	408
OPEB	408
Substantive plan.	408
Implicit rate subsidy	408
Contributions	410
Actuarial valuations	411
Termination benefits.	413
Distinguishing termination benefits from unemployment benefits	413
Cost measurement	413
Accrual recognition.	414
Pending changes	415
Single-employer and agent multiple-employer defined benefit plans	415
Cost-sharing defined benefit plans	419
Special funding situations	421
Chapter in brief.	423
Exercises	427
24. Budgetary Integration	429
Nature and purpose of budgetary integration	429
Budgetary accounts	430
Budgetary journal entries	432
Chapter in brief.	435
Exercises	437
25. Capital Assets	439
Definition	439
Basic accounting and financial reporting	439
Major asset classes	442
Capitalizable costs	444
Improvements v. repairs	450
Valuation	451
Impairments	452
Depreciation/amortization	458
Replacements and retirements	460
Chapter in brief.	462
Exercises	465
26. Debt	469
Basic accounting for debt	469

Deep discount debt	470
Refundings	471
Demand bonds	474
Special assessment debt	476
Conduit debt	478
Long-term borrowings within the primary government	479
Proprietary fund debt	479
Rebatable arbitrage	480
Chapter in brief.	481
Exercises	483
27. Derivatives	485
Definition and use	485
Essential characteristics	486
Hedging	488
Reporting derivatives in the statement of financial position	489
Reporting derivatives in the statement of resource flows	489
Embedded derivatives.	495
Chapter in brief.	496
Exercises	498
28. Landfill Closure and Postclosure Care Costs and Pollution Remediation Obligations	501
Landfill closure and postclosure care costs	501
Pollution remediation obligations	505
Chapter in brief.	512
Exercises	514
29. Risk Financing and Insurance	517
Background.	517
Basic accounting for claims and judgments	517
Risk financing activities in fund financial statements	519
Insurance	520
Participation in a public-entity risk pool.	522
Chapter in brief.	524
Exercises	526
30. Other Specialized Applications	529
Compensated absences	529
Grants (recipient perspective)	533
Investments.	537
Lease accounting.	543
Special assessments	545
Sales and pledges of receivables	546
Joint ventures and similar arrangements	548
Sales and pledges of future revenues (securitization)	550
Escheat property	551
Service concession arrangements.	552
Bankruptcies	555
Chapter in brief.	557
Exercises	562

PART 4: REPORTING BEYOND THE BASIC FINANCIAL STATEMENTS

Section A: Required Supplementary Information (RSI)

31. **Management’s Discussion and Analysis** 567

 Background 567

 Content 568

 Component units 571

 Relationship to the letter of transmittal 572

 Relationship to the financial statement audit 572

 Chapter in brief. 573

 Exercises 574

32. **Other RSI** 577

 Budgetary reporting 578

 Infrastructure condition and maintenance data. 580

 Trend data on postemployment data 581

 Trend data on revenue and claims development 584

 Chapter in brief. 586

 Exercises 587

Section B: The Comprehensive Annual Financial Report (CAFR)

33. **Structure and Contents of the Comprehensive Annual Financial Report.** 589

 Purpose 589

 Structure 590

 Contents. 590

 GFOA Certificate of Achievement for Excellence in Financial Reporting 600

 Chapter in brief. 603

 Exercises 604

34. **Supplementary Budgetary Reporting Within the CAFR** 607

 Scope of supplementary budgetary comparisons. 607

 Mandatory comparison v. supplementary comparisons: similarities and differences 608

 Legal level of budgetary control 609

 Chapter in brief. 612

 Exercises 613

35. **The Statistical Section** 615

 Background. 615

 Information on financial trends. 616

 Information on revenue capacity. 620

 Information on debt capacity 626

 Demographic and economic information 630

 Operating information. 632

 Additional considerations. 633

 Chapter in brief. 635

 Exercises 637

Section C: Specialized Entities

36. Postemployment Benefit Plans	643
Requirement to report individual plans separately.	643
Basic financial statements	644
Notes to the financial statements	646
Required supplementary information	649
Supplementary schedules	651
The comprehensive annual financial report (CAFR)	651
Defined contribution plans	658
Other recommendations from the GFOA	659
Pending changes	660
Chapter in brief.	661
Exercises	663
37. Public-entity Risk Pools	665
Background.	665
Types of public-entity risk pools	665
Accounting and financial reporting	666
Pools that result in the transfer or pooling of risk	666
Pools that do not result in the transfer or pooling of risk	673
Chapter in brief.	675
Exercises	677
38. School Districts	679
Reporting entity	679
Basic financial statements	680
Comprehensive annual financial report	683
Chapter in brief.	685
Exercises	686
39. States, Investment Pools, and Special Purpose Governments	689
States	689
Investment pools.	695
Special purpose governments.	699
Chapter in brief.	700
Exercises	702

Section D: Other Reporting

40. Popular Financial Reporting	705
Background.	705
Characteristics of an effective PAFR	705
GFOA PAFR Program	706
Chapter in brief.	712
Exercises	714
41. Performance Reporting	715
Background.	715
Expanding the scope of financial reporting to embrace performance measurement	715
Alternative approaches to performance reporting	719

Chapter in brief.	728
Exercises	730

PART 5: INTERNAL CONTROL, AUDITING, AND ANALYSIS

Section A: Internal Control

42. The Comprehensive Framework of Internal Control	733
Nature and purpose of internal control	733
Responsibility for internal control	734
Inherent limitations of internal control	735
Comprehensive framework of internal control	736
From <i>internal control</i> to <i>enterprise risk management</i>	745
Chapter in brief.	748
Exercises	750
43. Monitoring and the Periodic Evaluation of Internal Control.	753
Background.	753
Establishing and maintaining a baseline of effective internal control	754
Periodically evaluating actual performance against the baseline	755
Resolving deficiencies identified by periodic evaluations of internal control	756
Chapter in brief.	757
Exercises	759

Section B: Auditing and Analysis

44. The Financial Statement Audit	761
Responsibility for financial statements and the financial statement audit	761
Key concepts underlying the financial statement audit	764
Levels of auditor responsibility.	766
Auditing standards: GAAS v. GAGAS	768
Obtaining a financial statement audit	771
Chapter in brief.	775
Exercises	777
45. The Single Audit	781
Background.	781
Requirement to obtain a Single Audit	781
Standards applicable to Single Audits	782
Scope of the Single Audit	782
Focus on major programs	783
Objectives of the Single Audit	785
Reporting requirements.	786
Reporting package	787
Chapter in brief.	789
Exercises	791
46. Internal Auditing and Performance Auditing	793
Internal auditing	793

Performance auditing	796
Chapter in brief.	798
Exercises	799
47. Financial Statement Analysis.	801
The need for a different approach to analysis in the public sector	801
Focal points for analysis.	802
Types of information available in a CAFR.	803
Assessing near-term financial position	803
Assessing net position.	806
Assessing economic condition	808
Chapter in brief.	810
Exercises	812

Appendices

A. Illustrative Journal Entries	815
B. Illustrative Trial Balances	877
C. Illustrative Adjustments Worksheet.	909
D. Illustrative Comprehensive Annual Financial Report.	931
E. Illustrative Accounts, Classifications, and Descriptions	933
F. Explanations of Correct Responses to Exercises	985
G. Glossary	1051
H. Acronyms	1095
I. Index	1099
