May 17-20, 2020,
in New Orleans, Louisiana.
Registration will open in the fall
at gfoa.org.

GFOA Best Practices are recognized by finance officers, elected officials, and other government leaders as the standard for improved financial management of governments. Our suite of best practices, which are free and completely available on gfoa.org, cover accounting, budgeting, capital planning and economic development, debt management, pension and benefit administration, and treasury and investment management. The best practices are developed by GFOA Standing Committees, made up of members recognized by their peers as leaders in the public finance field. GFOA also provides a number of resources specifically designed to assist in the implementation of best practices. For more information or assistance with best practice documents, please go to gfoa.org/bestpractices.

About GFOA
